UNIVERSAL MOUNTING PLATE

The **UNIVERSAL MOUNTING PLATE** allows you to mount a Thermal Edge Enclosure Air Conditioner to your enclosure when you need to replace another manufacturer's model.

When your Enclosure Air Conditioner has lived its useful life, you could spend more time sourcing the exact unit than simply replacing it with a Thermal Edge model.

With Thermal Edge You Get:

- Energy saving condensate evaporation
- Digital programmable controller with protection and alarm circuits
- Thermal Expansion valve for efficient refrigerant control

Thermal Edge Universal Mounting Plate:

- Easily replace another company's A/C unit.
- Covers the existing cutout and has the cutouts for Thermal Edge unit
- Provide us with the existing model number, and we do the rest
