To Whom It May Concern:

BUY AMERICAN CERTIFICATE

Executive Order 14005 Sec 2(b), "Made in America Laws" means all statutes, regulations, rules, and Executive Orders relating to Federal financial assistance awards or Federal procurement, including those that refer to "Buy America" or "Buy American," that require, or provide a preference for, the purchase or acquisition of goods, products, or materials produced in the United States, including iron, steel, and manufactured goods offered in the United States. Made in America Laws include laws requiring domestic preference for maritime transport, including the Merchant Marine Act of 1920 (Public Law 66-261), also known as the Jones Act.

The undersigned certifies that the manufactured products listed below were produced in the United States as domestic construction materials. The final manufacturing process of this product occurred in the United States. The cost of components was mined, produced, and manufactured in the United States and is greater than 55 percent of the total cost as defined in the Buy American Act (BAA) of March 1933, amended by the Buy American Act of 1988.
